

# "USED" EQUIPMENT FOR SALE

## USED ABRASIVE ELEVATORS/PICKUPS

- ❑ Steel shot abrasive elevator

## USED AIR COMPRESSORS - GAS/DIESEL

- ❑ 15 HP Gardner Denver - model ADO1000, compressor for parts only
- ❑ 80 CFM Lindsay - model 80HC, towable, gas, 1974 model
- ❑ 180 CFM Sullair - piston type, John Deere diesel engine. Compressor is on a lettering truck - 1989 Iveco Euro turbo 5 speed diesel. Includes electric hose reel, manual bridge press and large cabinet with drawers for storage.
- ❑ 210 CFM Sullivan - model D2100JD5, towable, John Deere diesel, 1997 model, approx. 5873 hours, has block heater

## USED AIR COMPRESSORS - ELECTRIC

- ❑ 2 HP C&H - 208 230/460 volt, 3 ph, mounted on a 30 gal. air tank
- ❑ 25 HP Gardner Denver - approx. 100 cfm, electra screw, model ESFB
- ❑ 25 HP Ingersoll Rand - approx. 100 cfm, model T30, on a tank, with starter and high efficiency motor. Air cooled, 3 ph, 220 volt
- ❑ 25 HP Schramm - approx. 100 cfm, model 105, 3 phase, with motor starter, radiator and belts
- ❑ 30 HP Davey - approx. 120 cfm, model 30BAQ, 230 volt, with motor, starter and air tank. Approx. 17,184 hrs.
- ❑ 30 HP Quincy - 110 cfm @ 125 psi, 1988 model QST-30-125, 230 volt, 3 ph G.E. motor, rotary screw, air cooled, after cooler, dual control, tank mounted, 120 gallon tank
- ❑ 50 HP Quincy - approx. 200 cfm, with 350 gal. tank
- ❑ 50 HP Schramm - approx. 200 cfm - with motor, starter
- ❑ 150 HP Ingersoll Rand - approx. 670 cfm, 230/460 volt, 3 ph

## USED AUTOMATICS

**ABC Automatic 7'-6" x 7'-6"**

- ❑ Dye Machine Co. Automatic 9'-0" (automatic w/curtain), 208-220/440v, 3 ph
- ❑ Hiron Automatic 8'-0"

## USED BLAST CURTAINS

- ❑ Ruemelin 7'-6" x 7'-6" curtain with inspection window

## USED BLAST MACHINES & CABINETS

- ❑ 200lb Lindsay - model 200E, on wheels, with hose and nozzle
- ❑ 350lb Empire with pneumatic remote controls
- ❑ Trinco Blast Cabinet - model 40 x 40 SLDLXRCP

## USED CHAIN HOISTS

- ❑ Hercules hand chain hoist
- ❑ 1/2 Ton Yale - electric hoist, 220 volt, 3 ph
- ❑ 1 Ton hand chain hoist
- ❑ 1-1/2 Ton P&G - electric, wire rope, 3 ph with push button and trolley
- ❑ 2 Ton Budgit - electric chain hoist, roller chain, 220 volt, 3 ph
- ❑ 2 Ton Yale - electric chain hoist, link chain, rope pull
- ❑ Hand winch
- ❑ Ratchet come along - 3 ton CM, roller chain
- ❑ Sling - wire mesh
- ❑ Trolley - hand operated, was used with a 1 ton hoist
- ❑ Trolley - hand operated, was used with a 2 ton hoist
- ❑ Trolley - 1 ton, hand
- ❑ Trolley - 1-1/2 ton, hand
- ❑ Trolley - 2 ton Shock
- ❑ Winch - hand crank

## USED CRANES - OVERHEAD

- ❑ End Trucks for a 3 ton crane - 2 new wheels, includes drive motor and drive shaft. Was on a 45' span crane
- ❑ Jib Crane - 1/2 ton
- ❑ Jib Crane - 3/4" ton, 11'-0" high, 14'-3" long horizontal beam, flange mount, 9" vertical post. 360° rotation (no hoist or trolley)
- ❑ Overhead Crane (Coffing) - 25ft. span, 2 ton
- ❑ Overhead Crane (Load Lifter) - 40ft. span, 5 ton
- ❑ Overhead Crane (Manning, Maxwell & Moore) - 25ft. span, 10 ton
- ❑ Overhead Crane (One-Wright) - 40ft. span, single girder with Coffing 5 ton electric wire rope hoist, underhung, 20ft lift.
- ❑ Overhead Crane (Shaw-Box) - 25ft. span, 3 ton
- ❑ Overhead Crane (Shaw-Box) - 40ft. span, 5 ton

## USED CRANES - TRUCKS

- ❑ Ford 1983 F-350 truck - V8, 4 speed manual transmission, new battery, exhaust and tires, approx. 57,480 miles, with a Ruger TM-1 truck crane hydraulic hand pump

## USED DUST COLLECTORS

- ❑ Arrestall - 25 hp, automatic vibrating shaker, 230/460 volt, 3 ph
- ❑ Ruemelin - for work station or small room, 1-1/2 hp, 220/440 volt, 3 phase, includes adjustable arm and is on wheels
- ❑ Blower - 5" with 1 hp motor
- ❑ Flexible dust collecting arm - Ruemelin, for stone cutter, wall mount
- ❑ Gates for dust collector ducts - 5", 6" or 9"

## USED ENLARGERS

- ❑ Sandcraft Enlarger

## USED HAND TRUCKS, SKIDS, TABLES & WAGONS

- ❑ Drafting/layout tables
- ❑ Lift jack - for semi-live skids
- ❑ Pallet jack no tables
- ❑ Semi-live skids - 24"W x 36"L, 2 wheels, 2 legs

**WENZCO SUPPLIES BUYS EQUIPMENT.  
DO YOU HAVE UNWANTED USED EQUIPMENT?  
WE WILL BUY IT! ONE PIECE OR YOUR COMPLETE SHOP.**

# "USED" EQUIPMENT FOR SALE

- Semi-live skids - 24"W x 48"L, 2 wheels, 2 legs
- Semi-live skids - 36"W x 60L, wood deck, 2 wheels (steel), 2 legs, 10" from floor to top of deck, 8" from floor to bottom of tongue, pin diameter 1"
- Shop table/dead skid - 26" x 42" wood deck, steel frame, 4 legs

## USED MOISTURE SEPARATORS

**Hankison refrigerated air dryer**  
230 volt, 1 ph was used with a 125 diesel compressor

- Ingersoll Rand refrigerated air dryer
- Oriad desiccant air dryer - 86 cfm
- Van Air desiccant air dryer model D-12, good for 100 cfm air compressor

## USED MOTORS

- Various size motors available. Please call for details.

## USED POLISHING MACHINES

- Granite City rigid suspension high speed model 3 baby polisher - 2 speed, 3 hp, 220 volt, 3 ph motor, electric up and down, with diamond polishing heads and buffing wheels.
- Granite City slab polisher, 25 hp motor, electric up and down
- Tysaman - model 404D, Single speed
- Tysaman - model 505D, Two speed
- Tysaman top and end polisher-semi automatic, must stop to change heads, diamond disks not included, can polish 6 ft wide stone
- Tysaman top and end polisher-automatic

## USED SAWS - DIAMOND

- Achilli diamond saw 16" - with blade, posts on each end and table with ends supports. Can cut 4" deep and 9'-0" to 9'-3" long.
- Gantry diamond saw - Frickert Winterling, 11'-6" blade, 480 volt, 3 ph, saw moves on 40' long rails.
- Gantry diamond saw - Savage, 20"
- Gantry diamond saw - Savage, 72"
- Gantry diamond saw - Tysaman Sawing Systems, 36"
- Stone diamond saw 12" - 230 volt, 3 ph, with 8'-4" light duty tracks
- Stone diamond saw - 14" max. blade size, take about saw, 220 volt, 3 ph with 12'-0" light duty tracks
- Tysaman Machine Co. diamond saw - 10" blade, 10'-0" long cut, 3 ph, 3hp, electric back and forth, no up and down movement
- Tysaman diamond saw - 20"

## USED SPACERITE LETTERS

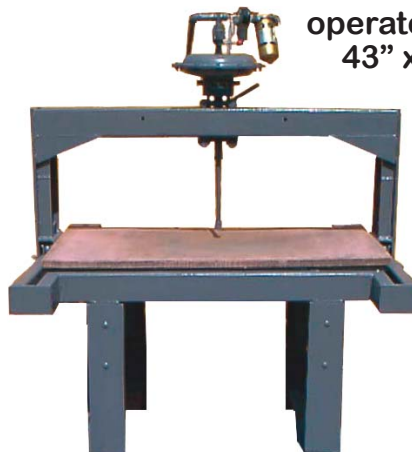

- Spacerite alphabet & number sets
- Wooden letter and number boxes

## USED STENCIL PRESSES

- 12" 4-Roller electric stencil press
- 24" 4-Roller Bicknell electric stencil press
- 24" 4-Roller Nelson electric stencil press

- 24" 8-Roller electric stencil press

**Pall Bridge presses air operated, Sizes available: 43" x 30" or 47" x 30"**

Assorted used designs & letter sets "FREE" with the purchase of ANY USED STENCIL PRESS (\$300 value)

- Bridge press - Pall, air operated, w/spacer, press board and press block
- Bridge press - Pneumatic, bridge length 55", table height 35", depth 40"

## USED STENCIL PRESS LETTERS & DESIGNS

- Stencil press letter sets - many letter styles and sizes available
- Stencil press designs - many different styles available

## USED MISCELLANEOUS

- Carving tools - pneumatic, many sizes are available
- Chain - various sizes available
- Conveyor hydraulic lift (Cary)
- Core bits - diamond
- Drill - air plug, pneumatic
- Drills - electric, various sizes
- Fax machine model HP920
- Grinder - air, hand held angle
- Grinder - air, hand held angle, Rotor Tool Co., D125 grinder M1119W, 3500 rpm, can use up to 4" vitrified wheels
- Grinder - air finish sander, hand held
- Grinder - bench, 6", 1/4 hp, with pedestal
- Grinder - bench, 6", 1/2 hp, 115 volt
- Grinder - bench, 8", heavy duty, 115 volt
- Grinder - electric, Black & Decker
- Grinder - electric, Porter Cable
- Grinding wheels - cup, assorted grit sizes available
- Heater - space, Daton model 3E229, 125,000 BTU, gas/propane
- Hydraulic press
- Jacks - trolley car
- Jacks - screw type
- Lettering truck - 1989 Iveco Euro turbo 5 speed diesel, with a 180 cfm Sullair piston type air compressors, electric hose reel, manual bridge press and large cabinet for storage
- Pin Lewis (1 pair) - 7/8" O.D., 6000lb capacity
- Saw - Contour, Dia-Tech DIA BS 5000, 2 speed with 20" throat
- Steel straight edges-various sizes available
- Stone splitter - Schear
- Vice - work bench vice
- Wire rope - 1/4" 6 x 19 fiber core - NEW
- Wire rope - 3/8" 6 x 19 fiber core - NEW
- Wire rope - 3/8" 6 x 19 wire rope core - NEW
- Wire saw - Sawing System, cuts 12ft x 5ft length by 5ft deep per hour
- Wooden rollers - various sizes
